

# BUILDING YOUR FUTURE

WITH OUR CONSTRUCTION TRAINEESHIP

Optimum Skills  
Construction Academy

DARLINGTON

Join Optimum Skills Construction Academy today and begin building your career. This 14 week full time course will be a mix of practical and classroom activities, in our purpose built construction centre based in Darlington, including real life work experience with one of our partner employers.

## 14 WEEK COURSE

Learn relevant construction trade skills in: Bricklaying, Joinery, Plastering, Health and Safety

Opportunity to progress onto an apprenticeship after successful completion of the course, in the following routeways:

- Bricklaying Level 2
- Joinery Level 2
- Property Maintenance Level 2

We are delighted with the success of our traineeship so far, and are proud to see our learners progress onto apprenticeships, with the fantastic businesses we are working with across the North East.
