

Just received this email. It maybe useful for a year 11 leaver:

I have a company who are looking to take on a Business Admin apprentice in the near future. They are looking with a few training providers and so I can't advertise it online. Therefore, I was just contacting you directly to see if you had any Y11 leavers who were interested in starting an apprenticeship in this area. If so, feel free to pass on my email address and I can arrange to get in touch with them to give them some more information and support with applications etc...

Any questions, please do get in touch.

Kind Regards
Lauren
